**Headteacher: Mr C Willan**

Dear Parents,

Following on from my letter yesterday, the staff member in question has now received notification this afternoon of a positive result for Covid-19.

Social distancing measures at PGL were strictly adhered to throughout the three days. We have followed Government guidelines regarding close contacts and as a result we have identified a small number of children affected who need to isolate. **These children and families have been notified.**

I would however remain vigilant over the next few days. It is extremely important that we all continue to follow the advice and guidelines given.

Kind Regards.

Mr Willan

Headteacher
