Friday - Running and Smoothie Making

Gone Fishing

Over the last few weeks our superstars from Blossom Class have been enjoying a spot of fishing on a Friday morning. The children have loved every minute and can't wait to go back. The great outdoors and relaxing nature of the sport has been a wonderful addition to our curriculum.

Thank you Mr Smedley. If you would like to find out more information about fishing and all the wonderful health benefits it brings, then please have a read of this inspiring article. Just use the QR code to find the link. Well done Mr S.

Euro Draw

Well done to Lucas, this week's winner of our Euro 20 Prize Draw. Lucas had the choice of any Euro 20 football shirt and he has chosen Italy! Italy is the team which Maple Class have been cheering on. Well done Lucas and Good luck Italy.

Thanks again to all children that have taken part in the draw. Another prize and winner will be announced next week.

The video of the Raffle can be found here

Waterwell & Fan Dance

Parent of the school Jay McFadden is taking part in the Fan Dance Race tomorrow, an endurance race of epic proportions for local CIO WaterWell, and he hopes to raise vital funds for suicide prevention. Please see below.

Good luck and well done Jay.

Seeds and Gardeners

Today our Gardeners and seeds met in the hall. Social distancing measures were in place. The Year 6 superstars read their seed a Mr Men story and are putting the finishing touches to their own heartfelt Mr Men story for their seed to keep and treasure forever.

Well Done Sequoia and Acorn Class
