Headteacher: Mr C Willan

Dear Parents and Guardians

It is the first time in fifty five years that England have reached a major final. A momentous occasion, which I would love for our children to witness. The Sunday night kick off of 8am is far from ideal. Therefore, we will move the official start time on Monday to 10.30am. All staff will be in at normal time and Breakfast Club will run as usual for those who need it.

Let the children, who want to watch the match have a lie in and be with us for 10.30am. I would rather have children in at this time than being absent for the full day.

This is a moment in history, which I hope will inspire a future generation of active and healthy children.

I do appreciate that some children will need to be in Breakfast Club and arrive at the normal time, I just wanted to give you all some flexibility. I am also aware that children will be tired and we will adjust the children's curriculum accordingly. For one day, I feel that this is justified.

Hazel Class have a trip to the beach planned, therefore please can I ask that the children in this class, arrive for 9.45, for a set off time of 10am. The children will have time to rest on the coach before a great day of fun and activities.

We have all endured a difficult time of late, let's bring a little bit of joy and positivity to our children's lives, for what could be, a very memorable Sunday.

I would also like for you to send in your pictures of you all enjoying the day and match. Please send in your videos and photos on Sunday and we will share on our social media platforms. Please send to head@water.lancs.sch.uk or post on Twitter and tag @waterprimary.

Yours sincerely

Mr Willan
