11 October 2021

Dear Parents/Friends

For some spooky fun the Friends of Water are holding our annual pumpkin competition and this year children are again able to bring their creations into school.

To enter each child can carve out a pumpkin at home and bring it into school on the morning of **THURSDAY 21<sup>ST</sup> OCTOBER**. The pumpkin can be any size or design, the spookier the better, but please follow the following conditions:

- Only one pumpkin per child
- £1.00 per entry – payable via ParentPay or in cash on the day
- Must have a **battery operated tealight or no light only**
- Must have the child's name and school year on the pumpkin in permanent marker
- Entries will only be accepted on the date stated above
- Pumpkins must then be taken home after school

The best pumpkins in each school year will receive a prize.

We hope you have lots of fun making these and we look forward to seeing the results

Thank you as always for your continued support

Yours faithfully

Friends of Water School
