Friday 3rd December 2021

Dear Parents/Guardians,

Unfortunately, we have had another suspected case of COVID in Acorn class today. I am still unable to offer wrap-around care for children in Acorn. I will review this again after the weekend and all being well, we can resume normal routines as soon as possible. The class times will also need to continue to stagger however you can bring your children into class from **9:10 (please do not come any earlier than this.)** The collection time will remain at **3:00 p.m.** I understand that this has caused issues and I can only apologise, however the safety of our parents and children are priority at this time.

I will endeavour to keep you updated as soon as I can with any more information.

Guidance states that anyone in close contact should go for a PCR test. If you are unable, please use a lateral flow test. Please report any positive cases to myself at asthead@water.lancs.sch.uk or the school office.

Again, I can only apologise for the inconvenience this may cause but I really appreciate the support we have had in this matter.

Many thanks,

E. McKay
