Wednesday - Art and Craft / Football

Thursday - Multi Sports

Year 5 - Trampolining

Friday - Christmas Jumper Day

Forest school: Reception/Yr 6

Yr 5 p.m.

## CHRISTMAS FAIR

Thank you to everyone who attended our Christmas fair on Wednesday, I am sure you will agree that it was a huge success. Firstly, I would like to say a huge thank you to Tabie Foster who won the Christmas Card competition and who also did an excellent job at switching on the Christmas Tree lights. Can I also take this opportunity to thank Friends of Water and Jill Urquhart for facilitating the event. After a particularly tough couple of years it was great to see so many families and friends of Water come together.

# Covid Update

We have had cases of COVID in Acorn class this week. We have sought guidance from Lancashire and Public Health England to reduce the risk of spreading the virus further. If your child is in Acorn class or is showing symptoms, please use the lateral flow tests or book a PCR test and let school know the results as soon as possible. Please contact the school office or email this address:

# CHRISTMAS JUMPER DAY

It is officially Christmas jumper day on Friday 10th December. Children can come into school in their Christmas jumpers on this day. We are asking parents to donate £1 (or more) to Save the Children which is the official charity for Christmas jumper day. We will set up a parent pay link and send this out next week.

## Water Wonderland!

Check out our wonderful hall displays celebrating a Winter, Water Wonderland! I am sure you agree they look brilliant-well done children for adding some festive sparkle to our school hall!

## Calendars and Baubles.

There is still time to purchase a school calendar and bauble for this year. If you would like one please speak to Jill Urquhart or contact the school office. All payments need to be made by Friday 10th December.

## HAVE A GREAT WEEKEND
