Dear parent/guardian,

Please can I take this opportunity to wish all of our children and families a wonderful Christmas and new year.

It has been extremely nice to see our children enjoy all of the Christmas activities this week following a very difficult year. With this in mind, please can I thank all of the staff at Water for continuing to display such a hardworking, caring and positive attitude to our children and school.

Unfortunately, more disruption to our daily lives is on the horizon due to the onset of the new and highly contagious Covid-19 variant Omicron. Please rest assured that the school and I, will continue to update you all regarding any new measures, news or developments in terms of risk assessments and procedures. As always, the children's safety will always come first.

Finally, I would like to also congratulate and thank Miss McKay and Miss Lofthouse for their leadership and commitment to Water in my absence. They have both been amazing! We are so blessed to have such a strong and skilled and leadership team.

I hope you all stay safe and enjoy the rest, precious family time and Christmas activities.
