As you will all be aware, our fantastic school was visited by OFSTED this week. Firstly, I would like to say a huge thank you to our parents and families who are our biggest cheerleaders. The support and well wishes were greatly received by all staff. Leading on from this, I would also like to thank all of the staff at school for their continued hard work, not just during the visit but for continuing to ensure that the children of Water Primary are the centre of everything we do. Finally, the children were absolute superstars (as they always are) and a credit to you and your families.
