Next week is children's mental health week. The theme of this year's week is Growing Together.

Growing Together is about growing emotionally and finding ways to help each other grow. Challenges and setbacks can help us to grow and adapt and trying new things can help us to move beyond our comfort zone into a new realm of possibility and potential. However, emotional growth is often a gradual process that happens over time, and sometimes we might feel a bit 'stuck'.

Each class will be doing a range of activities linked to children's mental health and we are also welcoming Becky, McFadden into school on Tuesday. On Friday, we would like children to come to school in non-uniform and to donate at least £1 to the charity.

# COVID Update

There have been positive cases of COVID in school, please could you ensure you follow government guidelines of using a lateral flow test daily for seven days if you are a close contact. Many thanks.

## Football Finalists!

Well done to our year 5 and 6 children who represented Water at a football final competition yesterday at the leisure box. They performed brilliantly and showed excellent sportsmanship!

Blossom and Sequoia class had a brilliant time at the Museum of Lancashire this week. They became ARP wardens, evacuees, code breakers and spies. (But do not ask them questions about this as it was top secret).

# HAVE A GREAT WEEKEND!
