Welcome Back!

Firstly, I would like to say a huge welcome back to our children, families and friends of Water primary School and a very warm welcome to all our new pupils and their families, we hope that they all settle quickly into school life and enjoy their time at Water.

It has been wonderful to see the children rush through the doors as the new school year begins. Thank you, as ever, for your efforts in ensuring that they are smart and in full school uniform. I am aware of some issues with uniform and deliveries, and although it is an external company, I can only apologise for the inconvenience this has caused. Please could you make sure all uniform is labelled to reduce any lost property.

We would like to extend a warm welcome all new members of staff to Water!

I would like to take this opportunity to welcome back Mrs Edington and Mrs Smith from their maternity leave-it's great to have you both back.

School is looking incredible; staff have worked tirelessly over the summer holidays to make sure that their classrooms and learning spaces are ready for your children. I have been hearing snippets of all of the wonderful learning which will be taking place this half term and I can't wait to see all of the children enthralled in their lessons.

A letter will be sent out as soon as possible with after school clubs running this half term. Please keep an eye out for this.

I am thrilled to be continuing my role as acting Headteacher for the Autumn term. My door is always open so if you need anything, please do not hesitate to get in contact.

As always, your support is imperative to the success of our school. Let's make this school year the best one yet!

Miss McKay
