Busy Start

I can't believe we have only been back at school for 3 weeks! We have accomplished so much already. Read on to find out everything that has been going on in school...

Staff News

I would like to take this opportunity to let you know about some recent staff changes . Mrs Edington will now be taking on the role as Acting Assistant Headteacher for the Autumn term. I would like to thank Mrs Schofield for her hard work and dedication to the role during the last school year.

WATER SCHOOL

Reminders

We are noticing an increase in lateness to school. Please ensure your child is in school before the start of the school day at 9:00 a.m.

Amazing Acorns

Our wonderful Acorn class have settled in so well to school life. They have been assigned a gardener from year 6 and have been showing off their writing skills already—make sure you check out their incredible portraits and writing in the entrance hall. Well done acorns.

God Bless The Queen

Since the announcement of the Queen's death, the whole school have commemorated her life through art work, learning about her life and writing poems to celebrate how important she was to us and our country.

We wish to express our heartfelt condolences and deepest sympathy following the passing of Her Majesty the Queen. We honour The Queen for her tireless contribution to life in the UK, the Commonwealth, and the rest of the globe. She leaves behind a lasting legacy, and her smile and memories will encourage others to lead and serve.

The whole school would like to offer our deepest sympathies to the Royal family at this time.
