Dear Parents and Carers,

It is with great regret that I write to inform you that after almost 9 years, Mr Willan is resigning from his post as Head Teacher at Water Primary School. Mr Willan has been successful in securing a permanent Head teacher post at Crawshawbooth Primary where he has been the interim Head since the Autumn term 21/22.

I'm sure you will agree that Mr Willan has been a highly effective Head of Water School. During his time with us, he has led and supported a fantastic team and secured the continued success and development of our school, its staff and pupils. We are proud to be part of a school that is now at full capacity and one that is highly regarded within the local community.

The Governing Body will start the recruitment process for a new Head Teacher with immediate effect. We will be looking for a strong candidate to take over the position of Head. We wish to highlight that Miss McKay will continue to lead the school as Interim Head, and school life will continue as usual. Mr Willan has kindly offered to continue to mentor our senior leadership team and will ensure Water Primary and Crawshawbooth Primary continue to support each other.

On behalf of the Governing Body, I would like to thank Mr Willan for his hard work, commitment and dedication to the achievements and progress of the children at Water Primary. We are very sorry to lose Mr Willan but we wish him all the best in his new role.

Kind regards

Tracy Cuthbertson  
Chair of Governors
