Dear Parents/Carers

I just wanted to drop you a note to say thank you very much for all the support our Water family have been providing to school recently.

I am aware that we have organised a lot of fundraising activities recently but, as I am sure you are aware from watching the news, budgets are very tight in Education.

We, at Water, want to provide the best possible experience at school for our children and, by organising these events, it really helps.

I know that everyone is in the same boat, so please do not feel obliged to take part in these extra activities, we totally understand, and are grateful for any support we receive.

That being said, if anyone who has or knows of a business that is able to help out with donations to school in any way that would be amazing. Please see Mrs Graham at the office.

Once again, thank you so much for all your support. I am very proud of our Water family.

Kind regards

Yours faithfully

Miss E McKay
