Dear Parents/Guardians

School Uniform – Change of Provider

Following some concerns parents voiced as the beginning of this school year with regards to the delivery of their uniform orders, we have been looking into the above and have found a company that can provide uniform of the same quality at a cheaper price, as follows:-

Item	Current Price	New Price	Saving per item
Polo shirt	£8.42	£7.90	£0.52
V neck sweatshirt	£11.84	£9.95	£1.89
Cardigan	£12.63	£10.80	£1.83

There will also be other items available, i.e. coats, fleeces and book bags; once we receive the costings on these we will let you know.

Parents will still need to order online but Mrs Graham has requested samples in each size to be kept in the school office for parents to try on their children. Once these arrive we will let you know.

Parents can either get uniform delivered to their home address for £4.25, regardless of the size of order, (orders over £50 will have free delivery), or delivered to school free of charge.

Once we have received all of the set-up information with the new company, Mrs Graham will be sending out an order form for parents, and will provide the cut-off date for orders to be delivered before we finish for summer.

In the meantime, we do still have a small stock in the office that we are selling at a reduced price, please pop in and see Mrs Graham to see if we have anything in the size you require.

Please note our PE kit will still be provided by Surridge.

If you have any questions regarding this please do not hesitate to call into the school office.

Yours faithfully
