Dear Families

I am writing to inform you that Mrs Schofield and Miss Hodgson will be leaving us at the end of the academic year.

Miss Hodgson has taught in our Early Years and Key Stage 1 for seven years. She has been a welcoming face to all of our new families and ensured they've settled into the 'Water Way'. She is a fantastic teacher; however, Miss Hodgson is returning to her previous career of journalism. From myself, staff, the pupils' and families of Water, I would like to wish Miss Hodgson well on her next journey.

Mrs Schofield has been a teacher at our school for eight years. She is an incredible teacher and I am proud to say she is now going to take on the role of Deputy Headteacher at another school. She has been an asset to our school and will be greatly missed by pupils, parents and staff. I would personally like to thank her for her dedication to our school over the past eight years. Good luck in your new role.

Both Miss Hodgson and Mrs Schofield will be greatly missed by us all here at Water Primary and we wish both the best of luck.

We will send out the new school structure in the coming weeks and please be assured that your children's education and wellbeing is at the centre of every decision school makes.

Many thanks

Miss E McKay  
Headteacher
