Dear Families

I am delighted to share with you some very exciting news about the staffing structure at Water Primary School.

Miss Ashworth and Miss Wilson have both successfully been appointed as permanent class teachers. I am sure you will agree that this is brilliant news.

Miss Wilson and Miss Ashworth are outstanding teachers and have been instrumental in continuing to build on the successes of the school.

On behalf of the Governors and the staff at Water, we would like to congratulate both teachers on their permanent roles and look forward to an exciting year ahead.

The class structures for the next academic year will be announced in due course, however, please be assured that every decision made is always with the children at the centre of everything we do.

Many thanks,

Miss E. McKay  
Headteacher
