Dear Parents and Guardians,

As part of our PSHE curriculum in Year 6, children take part in a programme named Raising Aspirations. This is a primary school programme which:

“is all about raising aspirations and opening up the world of work. It shows children what careers are out there and the skills they’ll need to leave a positive footprint wherever they go in life.

It’s also about building their self-belief, their resilience, recognising their qualities and how they could be used in the workplace.”

Last year, as part of this, we held a Careers Carousel which was extremely successful; the year 6 children gained so much and it was amazing to see their interactions with parents and members of the local community. Doing this with them, introduces children to potential jobs they may want to work in in the future. We want to:

- inform them of what they will need to do to achieve that role,
- inspire them to consider jobs they may previously have not thought/known about,
- learn about what that job entails in a day-to-day capacity and special roles they may undertake.

We would love for parents and members of the community in a wide variety of roles to come in, set up a station around the carousel and talk about their jobs and the points mentioned above. We would like to do this on Tuesday 27th June at 2pm. Each slot (with 2 or 3 children at a time), will last around 10 minutes and will run until 3:30.

If you think you will be able to take part in this and inspire the next generation of workers, please fill out the form below and return to your child’s teacher. Alternatively, if you know someone who would like to participate, please ask them and fill out the form below with their details!

As always, we are grateful for your help and support!

Yours faithfully,

Mrs Schofield
