Dear Parents and Guardians

Due to the change of date for our Sports Day, we will have to push our Career Carousel back to Monday 17th July.

We are still looking for parents and members of the local community to volunteer to come to school and share with the children their journey into their chosen career and would be so grateful to anyone who is able to make it!

As stated in the previous letter, taking part in this introduces the children to potential jobs they may want to work in in the future. We want to:

- inform them of what they will need to do to achieve that role,
- inspire them to consider jobs they may previously have not thought/known about,
- learn about what that job entails in a day-to-day capacity and special roles they may undertake.

We would love for parents and members of the community in a wide variety of roles to come in, set up a station around the carousel and talk about their jobs and the points mentioned above. As stated, this will now take place on **Monday 17th July at 2.00pm**. Each slot (with 2 or 3 children at a time), will last around 10 minutes and will run until 3:30pm.

If you think you will be able to take part in this and inspire the next generation of workers, please fill out the form below and return to your child's teacher. Alternatively, if you know someone who would like to participate, please ask them and fill out the form below with their details!

As always, we are grateful for your help and support!

Yours faithfully
Mrs Schofield
