Dear Parents/Guardians

### Trading Cards

We currently have a number of children who are bringing their trading cards into school.

We do not want to stop children bringing them into school as they have been a calming influence for some children during break and lunchtimes; but the number of cards that some children are bringing in are a little excessive in some cases.

As we do not want children to be upset by lost/damaged cards, we are going to ask that children limit the number of cards they bring in each day to 20.

We will also allow children to trade, if parents have given them permission to do so, but only with children in their own Key Stage.

Thank you for your support in this matter.

Yours faithfully  
Miss E McKay  
Headteacher
