CHILD FRIENDLY SAFEGUARDING POLICY

At Water Primary School, all staff feel that your health, safety and welfare are very important. In school, we respect our children and help to protect your rights. We teach you how to recognise risks and how to protect yourself and stay safe.

Safeguarding means that all Water School staff should:

- Protect you from harm;
- Make sure nothing stops you from being healthy or developing properly;
- Make sure you are safely looked after;
- Make sure you have the best life chances and can grow up happy and successful.

How will we try to protect you?

- We try to provide a safe and secure environment for you to learn in and progress.
- We help to ensure that you remain safe at home as well as school.
- We think it is important for you to know where to get help if you are worried or unhappy about something.

Need to talk?

If you need to talk - we will listen! You can talk to any adult within the school, anyone you feel comfortable talking to. If you do not want to talk, you could write it down and give it to a member of staff. It is important for you to know that the staff members below have a key responsibility for making sure you are safe and well cared for.
