Headteacher: Miss E. McKay

Dear Parents and Guardians

As part of your child's education at Water Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and our governing body.

All PSHE teaching that takes place is in a safe learning environment and is underpinned by our school ethos and values.

To give you a further insight into what your child will learn and how to support them at home, we would like to invite you to attend a parent information meeting **on Tuesday 28th November 2023 at 3.30pm with Miss Launder.**

As a school community, we are committed to working in partnership with parents and if you would like to find out more or discuss any concerns, we would urge you to attend the information meeting and look forward to seeing you there.

Thank you for your continued support.

Your faithfully

Miss Launder
PSHE Lead
