Headteacher: Miss E. McKay

Dear Parents and Guardians

As a part of your child's education at Water Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that for the remaining part of Autumn 2 and Spring 1 your child's class will be taking part in lessons which will focus on the lessons that will include pupils learning about healthy relationships, including friendships, families, growing and changing - including puberty, personal hygiene, changing feelings, becoming more independent, keeping safe, developing self-esteem and confidence. Pupils will also have opportunities to ask questions.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. All PSHE teaching takes place will take place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents.

If you would like to find out more or discuss any concerns, please contact your class teacher or Miss Launder on the contact number above.

Yours sincerely

Miss Launder

Subject Lead for PSHE Education
