Monday 15th April 2024

Dear Families,

Unfortunately, I must inform you that Mrs Smith is still not well enough to return to school at this time. We hope you join us in sending her our best wishes.

In Mrs Smith's absence, Miss Astin will be covering the class with the continued support from Mrs Greenwood. Both Miss Astin and Mrs Greenwood are familiar with the curriculum and are committed to providing the best learning experience for your children. Rest assured that your children will be in safe hands and that their education will continue without interruption.

Your children will be receiving a well-rounded and exciting curriculum to ensure their continued progress and development. We are dedicated to creating a supportive and stimulating learning environment for all our children, and we thank you for your continued support in this shared endeavour.

We will make sure to keep you updated on any further developments regarding Mrs Smith's return to school. In the meantime, if you have any concerns or questions, please do not hesitate to get in touch with the school office. Your understanding and cooperation during this time are greatly appreciated.

Thank you for your understanding and ongoing support as we navigate this period of transition. We value your partnership in your child's education.

Many thanks,

Miss E. McKay
