Dear Parents/Guardians

Further to our letter in September regarding The Outdoor Play and Learning (OPAL) Primary Programme, we have been asked to forward the following information to our families:-

Next week, on Wednesday 13 November, we're holding a [short webinar for parents](#) to talk about the power of play and help them make play part of every day for their child.

At the event, OPAL Director Michael Follett will explore some of the key benefits of play, look at how playwork theory can support parents, and share his top tips for play at home.

Play for every child

This event is part of OPAL's commitment to making play part of every child's life and is fundraising to support [Project Play](#), a wonderful organisation that provides safe spaces to play for displaced children in Northern France.

This webinar is free to attend, but we encourage participants to [make a suggested donation of £10 to Project Play's fundraiser](#), which is being match funded by OPAL CIC.

If any of our parents are interested in learning more about the power of play and want to get top tips for play at home, @OPAL_CIC is running a short webinar next week.
