Our Changing World

KEY

English Science

PSHE History Art/DT

Geography Music

Objective

I can write a journalistic piece about 'Our Changing World.'

I can describe the location of biomes around the world.

I can create and describe my own imaginary world.

I can describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.

I can describe the life process of reproduction in some plants and animals.

I can describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals.

I can give reasons for classifying plants and animals based on specific characteristics.

I can describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes and the water cycle.

I can name and locate countries and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, understanding how some aspects have changed over time.

I can design and create an extreme weather art piece.
