

## Meeting at Whitewell Bottom Community Centre

On Wednesday 29th January at 6pm we'll be having another meeting with LCC Highways and the police to discuss speeding issues in Whitewell Bottom.

Please come if you can to Whitewell Bottom Community Centre. BB4 9LB.

It's all about meeting criteria and identifying funding but the more support we have the better chance there is of getting what we want.

The last meeting we held was at lunchtime which didn't suit everyone and even so the room was full - so we'll book the hall this time to accommodate everyone who wants to come!
