Dear Parents/Friends

Club 100 Fundraiser - £24 for the whole year

Still time to join! We have delayed our January draw to allow people to join after pay day – so you could potentially be a winner TWICE in February!

Reminder of how it works: for a deposit of £24 per number—made via Parent Pay—you will receive a randomly generated number, which will enter you into our **monthly draw for the entire year**. Each month, one lucky parent will win half of the pot, while the other half will go directly to Friends of Water fundraising initiatives.

There's no limit to the amount of numbers you can have, so feel free to enter as many times as you like! The more numbers you purchase, the higher the potential prize and the greater contribution to our school community. Other family members are also welcome to join!

We strongly encourage all parents to participate in this fun and rewarding fundraiser. Not only will you have the chance to win some cash each month, but your contributions will go a long way towards enhancing the educational experience of our children.

Remember, every little helps, and your involvement can make a significant difference and allow us, as Friends of Water, to be able to provide more for our children during the year.

Thank you for your continued support and commitment to our school.

Warm regards
Yours faithfully
Friends of Water School
