Dear families

Dance Festival - Wednesday 5th March 2025

Venue - Burnley Mechanics

Final Arrangements

Well done to all the children who have committed themselves to our dance club over the last term. They have worked incredibly hard and I am so proud of them. We have two sessions left, which will take place on the 25th February and 4th March 2025. The performance will take place on evening of 5th March 2025 at Burnley Mechanics.

The theme for this year's dance is 'Scientists and Inventors'. The children will be wearing lab coats, which school will be providing. I kindly ask that the children wear black leggings, black t-shirt and black trainers. The children will also need plenty of drinks, snacks and a packed lunch for their tea.

We will be leaving school in the morning in preparation for the performance in the evening. We will be spending the day rehearsing and getting ready for our live performance. You will then collect your child following the performance in the evening (time TBC).

With regard to tickets, I have been in contact with Rossendale Leisure Trust (the company organising the dance competition) and they have confirmed they are waiting for Burnley Mechanics to release the tickets (this was requested this week). As the venue is smaller this year (whilst Blackburn is being renovated), tickets will be initially limited to one ticket per pupil. General sale, where you can buy as many as you like, will then be released the following week.

As soon as we have a link and date when the tickets go on sale, I will forward this to you.

Tickets will be priced at £7.50 plus a £2.50 booking fee, total £10 per ticket. They can be purchased on the Burnley Mechanics website.

If you have any questions at all, please contact the school office. As always, this is a brilliant event and I am very excited to share this with your children. It is a fantastic opportunity for the children and an experience they will never forget.

Kind regards

Miss Launder
