Dear Families

Following the letter sent out in March regarding Lancashire County Council's price increase for school meals, and our decision to delay the introduction of this price increase until the last half term of this academic year, I am just writing to remind you that this will now come into place when we return on Wednesday 4th June.

School meals for children in Years 3 to 6 will now be £2.90 per day, £14.50 per week, payable via Parent Pay.

For those parents unsure of their eligibility for Pupil Premium/Free School Meals, in order to find out if you are eligible, all you need to do is click on the link below and enter your details. If you are entitled school will be informed. This entitlement will then stay with your child throughout their education, even if your circumstances were to change in the future.

I would advise all parents to check as the criteria for eligibility changes regularly.

If you have any questions or concerns regarding this update, please do not hesitate to contact the school office. Your understanding and support are greatly appreciated as we navigate these changes together.

Thank you for your continued support.

Yours faithfully
Miss E McKay
