Dear Families

I am just writing to keep you informed of where things stand with regards to our Wraparound Care.

PALS are ready to start with us, they are just waiting for the go ahead from OFSTED.

If this is not in place before the end of tomorrow we, as a school, will continue to provide Breakfast Club and the After School Club sessions until this is received.

With this in mind, and to avoid parents paying to book with us for the whole of the next half term, we will not be adding the 'block booking' option on Parent Pay for after school clubs.

If you would like your child to attend any of our clubs, that being Breakfast Club, After School Club 3.25 – 4.25 or 4.25 to 5.25, please credit these payment items on Parent Pay and book the sessions you require. You may want to do this on a weekly basis, just to ensure that you are only paying for the sessions your child attends whilst we are still running them.

We would advise ALL parents to get signed up with PALS, ready for if they should ever need their child to attend one of their clubs last minute, as, due to safeguarding reasons, they will only be able to accept children that they have received all the details for. For ease, please use the following link:-

Thank you for your continued support during this transition. We are really looking forward to having PALS onboard as we know they have a lot of fun activities planned for our children.

If you have any questions regarding this, please call into the office to speak with Mrs Graham, who will be happy to help.

Many thanks.
