

Dear Primary Schools,

We are delighted to invite you to our **Open Evening on Thursday 26 February 2026**, followed by a **Year 7 Taster Day on Thursday 5 March 2026**.

These events are a wonderful opportunity for parents and pupils to experience all that Westholme has to offer from Year 7 onwards. During the taster day, students will have the chance to experience Year 7 first-hand, taking part in engaging lessons and activities across a range of subjects.

Across every area of our curriculum and facilities, from Performing Arts, Sport, Science, Creative Arts and Technology to World Languages, there will be something inspiring for everyone to enjoy.

Please do share the attached flyer with your school community.

Best wishes,  
Abi
