## LETTER SENT ON BEHALF OF PALS

Dear Parents and Carers

At **Play & Learn**, we're passionate about supporting children's development through **structured, engaging, and enjoyable activities** in a nurturing environment.

Our programme is thoughtfully designed to help children grow in confidence, independence, and key life skills while having fun with their friends.

### **What your child will experience:**

- **Cooking activities** that build independence, teamwork, and practical life skills
- **STEM challenges** to encourage problem-solving, curiosity, and critical thinking
- **Arts & crafts** to inspire creativity, imagination, and self-expression
- **Sports and physical activities** that support coordination, confidence, and healthy habits

Each activity is carefully planned and led by our experienced, caring team to ensure children are engaged, supported, and developing at their own pace.

At Play & Learn, we believe learning should be **hands-on, meaningful, and fun** — giving children the opportunity to explore new interests, build friendships, and feel proud of what they achieve.

### **Book your child's place today:**

We'd love to welcome your child and support them on their learning journey.

Warm regards,  
**The Play & Learn Team**
