Headteacher: Miss E. McKay

9th March 2026

Dear Families

Asthma Care Plans

If a child is diagnosed with asthma, they should be provided with a care plan from either the doctor/nurse/asthma clinic at their annual review appointment.

We have been advised by our school nurse that we should hold a copy of this plan in school to ensure that we are fully aware of your child's asthma needs.

If your child has asthma, we would be obliged if you could please provide school with your annual Care Plan that was given to you by the clinic. We can then take a copy for our files and inform all staff.

If you do not have a copy, please could you contact your doctors to request this and provide this to school.

If you have any questions at all, please feel free to contact the school office.

Yours faithfully

Miss Launder
Acting Deputy Headteacher and SENDco
