21st April 2026

Dear Families

Autism Awareness Day Monday 27th April 2026

I am writing to inform you that on Monday 27th April 2026, we will be celebrating Autism Awareness Day at our school. This is a special occasion that holds significant meaning for our community and we would love for all of our children to participate by wearing multi-colours. This could be anything from green socks, red hair and headbands to t-shirts or jumpers - let your child's creativity shine!

World Autism Acceptance Month is an opportunity for everyone to come together and raise awareness, acceptance, and create a society where autistic people are supported and understood. Your actions can help create an inclusive and accepting world.

Approximately 61.8 million people, or about 1 in 127 individuals globally, are estimated to be autistic. By recognising this day, we aim to spread awareness and understanding within our school community.

As part of this day, we have held a special assembly for the children, providing them with the opportunity to learn more about Autism. On the 27th April 2026, each class will also engage in activities that will enhance their understanding of this important topic.

Let's come together and show our support! We kindly ask that each child brings along £1.00 for the National Autistic Society. You can also this on Parent Pay via the payment item "Autism Awareness Non-Uniform Day – Monday 27th April".

Thank you for your support.

Yours faithfully
Miss Launder
