Tuesday: Football (5/6)

Wednesday: Breakfast Club Sports
Dance Club

Thursday: Yr 1/2 Multisports

Welcome Back

Firstly, I would like to say welcome back to all of our children and families at Water. We have had an amazing two weeks since returning and it has been wonderful to see so many happy, and enthusiastic children everyday. The teachers have been working hard in planning some exciting learning for the children so check out the class pages on the website to find out what your child is doing over the next half term.

Miss McKay

COVID Update

As you will be aware, there has been an influx of COVID cases in school since returning from the Christmas break. Please could I say a huge thank you to parents for your understanding and support to school during these times. It is important that if you, or your child, is a close contact of someone who has tested positive with COVID that you use the lateral flow tests for 7 days to reduce the risk of spreading the infection. Please notify school if your child has tested positive.

If you would like any further information about the current guidelines, please see the NHS guidance below:
<https://www.nhs.uk/conditions/coronavirus-covid-19/>

The Great Fire of London

We have a very exciting visitor on Monday for our KS1 children. They are currently learning all about the Great Fire of London and will be having a workshop to experience what the Great Fire of London would have been like. Keep looking on our twitter page for pictures!

The Water Team

You may have noticed we have a new member of the Water team in school; Miss Wilson will be teaching in Acorn on a Wednesday, Thursday and Friday. Not only is she a great teacher but she also plays for the Burnley womens football team.

OUR WEEK IN PICTURES

CORE VALUES

Our focussed core value for this half term is resilience. Each week we have themed assemblies and we focus on building our resilience in and outside the classroom environment. Last week, at a badminton competition, Luca and Harrison exhumed everything we value in our children when representing our school; they were great sportsmen as well as brilliant leaders and we would like to thank them for being wonderful role models. Well done boys!

HAVE A GREAT WEEKEND!
