News

At Water Primary School we are very grateful for the "Challenging Friend" role that the Governors play. This week we have completed an election for 2 parent governors. Martin Urquhart has been re-elected for a further term of office. Daniel Byrne one of our current governors has decided (reluctantly) not to stand for re-election due to work commitments which means we can welcome a new governor to the Water Family. Natalie Newbitt has been confirmed as our new parent governor. Thank-you to Daniel for his many years of service to the school.

Core Values Spotlight:

One of our core values is Self-Belief. We think of Self-Belief as the way that you feel about your skills, abilities, appearance and behaviour. A pupil who has high levels of self-belief may grasp things quickly and trust that they can complete tasks well. At Water Primary School we use academic and sporting challenges to promote self-belief and increase the confidence of our pupils. You can support your child by encouraging them to talk about their achievements, no matter how small, at home.

Sequoia Class Trampolining

A life-long love of sports can often start when a child finds that one sport that they truly love. To support this search for "my sport" we try to introduce a varied programme of sports. This term Sequoia class are trying Trampolining at Valley Leadership Academy and are doing an amazing job at showing off some of their skills and developing new ones as well as having a lot of fun.

Sports News

- Our KS1 Sports Hall Athletics Team were fantastic on Tuesday! Although it was a Festival (no competition) our children did exceptionally well in all the events. It is the turn of KS2 today (Friday) to show everyone how good they are.
- The 6th Dance Festival will be held at Burnley Mechanics on Thursday 6th February. All tickets sold out very quickly! Best of luck to our "Water Dance Crew"
- Year 3/4 Mixed Handball Competition at Valley Leadership Academy will take place on Friday 7th February. Letters will go out early next week.
