Headteacher: Mr C Willan

Dear Parent/Guardian

Good morning, please can I take this opportunity to thank you all for your continued support and encouragement during our partial closure. The home learning, photos, videos from all of the children has been outstanding and I am so proud of you and your child's contribution to this. May I also add that the timetables and structure is only there for the pupils and parents which require or want it. How it works will be different in every household and will be different from one day to the next.

It has been wonderful to see children and families enjoying the outdoors and keeping active. Looking after your mental health and well-being during this time is extremely important. We will be posting a video tonight on our YouTube Channel from our Mental Health and Well-Being Champions offering advice on this. Please see the link here (from 7pm)

<https://www.youtube.com/channel/UCb4UXUV1RS1W0R6kiOPMWxg>

Please can I also update you on the school's opening during the Easter Holidays. School will be open (including Bank Holidays) for children whose parents are both (single parent) critical workers. Parents of vulnerable children have already been contacted by the school. Those parents who are critical workers please can you help the school by dropping off and collecting children at the beginning and ending of your work patterns/shifts. It is vital for the safety of all, that numbers are kept low in order to minimise the spread of infection. I also need to protect the wellbeing and health of the staff of Water Primary, who have been incredible during this difficult time.

Please note social distancing rules will apply when children and staff are in school.

If you require this service from school please can you email head@water.lancs.sch.uk

Please note we will require confirmation from employers (both or single)

As always don't hesitate to call if you need any help or support during this time.

Take care and stay safe

Mr Willan
Headteacher
