Dear Parent/Guardian

Following on from my earlier correspondence, we have now been told that Lancashire County Council does not support the reopening of schools to more pupils on June 1st until the five tests have been met. Please see the link below.

Therefore our reopening plans will be on hold until advised otherwise. I am extremely sorry add to the confusion. Information is constantly changing and we are trying our best to keep up with updates and advice. At the moment due to our phased plans, this will only affect year 6 pupils. I will of course, keep you updated with any further information with regards to the plans for the other year groups mentioned today.

We will remain open next week for critical and vulnerable children and therefore information regarding the survey and letter which was sent out this afternoon will still help with our planning for those groups of children. Home Learning will continue for all year groups next week.

Please take care

Mr Willan
