10th October 2023

Dear Parents/Guardians

Potential After School Club – Coding

We are looking at trying to book some different after school clubs for the next half term and one that we have been looking at is Computer Coding.

However, the cost per session is £7.00, so we are sending this letter out to find out how much interest there would be. They have informed us that they require a minimum of 10 pupils in order to be able to run the club.

We are looking at potentially Wednesday for this club, 3.25 to 4.25pm.

Please visit their website to have a look at what they offer - <https://jamcoding.co.uk/for-parents/>

If you think this is something you would book for your child to attend, please email Mrs Graham on bursar@water.lancs.sch.uk before lunchtime today as we are in the process of finalising the after-school club timetable for next half term.

Thank you.

Yours faithfully
Miss E McKay
