9<sup>th</sup> May 2024

Dear Families

I am writing to inform you about some exciting changes that will be taking place during the last half term of the school year as we assist in transitioning your child from Acorn into Hazel class.

Starting from next term, your child will be spending more of their learning time in the Hazel classroom with the current Hazel Year 1 and Year 2 children. While all Year 1 children work together for subjects such as Phonics, Maths, and Science, we believe that it would be greatly beneficial for them to increase their learning time within the Hazel classroom in the mornings for their English lessons and to increase their time in some of the foundation subjects in the afternoon.

To ease this transition further, Miss Ashworth has already been teaching Phonics and Maths sessions with the Year 1 children, whilst also teaching them Science during the last half term, ensuring that the children are adequately prepared for the changes ahead.

We are confident that this new arrangement will provide your child with an enriched learning experience and help them to further develop their skills and confidence in a supportive environment.

Should you have any concerns or questions regarding this transition, please do not hesitate to get in touch with us.

Thank you for your continued support and cooperation.

Many thanks,

Miss E. McKay  
Headteacher
