Tuesday 3rd September 2024

Dear Families,

Welcome back to the new academic year at Water School! We hope that you had a wonderful summer break making life long memories. We are all excited to be back at school, and the teachers have worked hard throughout the summer making sure classrooms are looking great as well as planning exciting lessons to inspire and engage our children.

A warm welcome to all our new children and families who have joined us this year. Please know that our doors are always open to support you in any way we can. We are looking forward to getting to know each and every one of you.

Please look out for key dates for this half term on our newsletter. Each class has updated their webpage with details of learning for this half term - you can find this information here:

<https://www.water.lancs.sch.uk/page/?title=Classes&pid=64>

Our communication and behaviour policy have been updated for the new school year, and they can also be found on our school website.

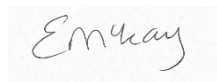

For those who are active on social media, we regularly post pictures of our activities on platforms such as X, Instagram, and Facebook. Stay connected with us to see what our children are up to on a day-to-day basis.

I am certain that this school year will promise to be a great year. I always look forward to a new school year, and this week I have been discussing with the children and staff about how this is a great new start, a time to form positive habits and embark new chapter in their life.

If you have any queries, please contact the office on 01706 216414, or alternatively, you can email us at enquiries@water.lancs.sch.uk. We will get back to all queries as soon as possible.

As always, your support is always greatly appreciated,

Many thanks,

Miss E. McKay
Headteacher
